

AQUARIUM

Interior ceramic wall tiles

Novoceram, French manufacturer of ceramics since 1863, presents a precious collection for wall covering, in colored in body porcelain, with delicate gold embroidery.

PRESS RELEASE

Aquarium is a collection of colored in body wall tiles finely decorated by **Novoceram**, French ceramics manufacturer since 1863, designed for interior wall coverings.

The uniqueness of **Aquarium** lies in its design by ornamental motifs, inspired by the arabesques of Persian carpets, which can be enriched by a golden decoration representing a **koi carp**, sacred fish of Asian iconography.

Aquarium consists of two different modules that can be composed endlessly to decline the collection in different combinations: an insert of 30x60cm carpet effect, designed to cover large areas with its sumptuous modular decor, and a wall panel of 60x60cm, in two pieces, historiated with the image of a **koi carp**, ideal for adding a touch of luxury, or to create a laying pattern of exception.

This veritable oriental flavor **ceramic wallpaper** can be combined with all the collections in colored in body porcelain stoneware and glazed porcelain stoneware of Novoceram range. The precious surface of **Aquarium** is available in two color options: Ivoire (ivory) and Ardoise (black).

To find out more about **Aquarium** and (re)discover all the Novoceram collections, please visit our [official website](#) or join our [Facebook page](#).
