

NONAME

Design ceramic tiles for interior floors

Novoceram, French ceramics manufacturer since 1863, presents a complete collection for interior flooring in colored in body porcelain stoneware whose abstract design is inspired by the wood species with shades of tone light and refined.

PRESS RELEASE

NoName is a collection of colored in body porcelain tiles by **Novoceram**, French ceramics manufacturer since 1863, designed for interior floor coverings.

NoName is a colored in body porcelain stoneware whose abstract design is inspired by the wood species with shades of tone light and refined. **NoName** abandons any stereotyped style definition to bring a new charming concept to residential and commercial interiors. **NoName** is for architects, designers and the most demanding consumers.

Available in four sizes (**45x45cm**, **60x60cm**, **30x60cm**), it is also declined in the rectified version and **in six different colors**: Clarté (ivory), Douceur (beige), Intimité (brown), Pureté (light grey), Sobriété (dark gray) and Elégance (black).

To find out more about NoName and (re)discover all the Novoceram collections, please visit our [official website](#) or join our [Facebook page](#).
